Summary

Greetings! I'm Subarna Saikia, currently pursuing my BTech in Computer Science and Engineering at Gauhati University Institute of Science and Technology.

My interest lies in web development, Python, ML, and AI, and I'm constantly learning and exploring new technologies to enhance my skills.

With a solid foundation in programming languages like C, C++, and data structures and algorithms, I'm confident in taking up any tech-related project. My passion for learning has earned me a 3-star rating on HackerRank in C++.

I'm excited to collaborate with like-minded individuals on projects and ideas that challenge and inspire me. My goal is to develop my skills and knowledge in the field of technology and build a successful career.

Let's connect and explore the world of technology together!
